

Please join us on **Sunday, April 8<sup>th</sup> at 10:45 am** for the Choir's Easter presentation of:

**"Love Took His Breath Away"**

*"This was love at its greatest moment . . . The love poured out on us with our Lord's death on the cross was a love more powerful than anything our world has ever experienced before or since . . . it was LOVE that took His breath away; love so kind, love beyond all explanation and belief. It was His love for you and for me that held Him on that cross until his last breath was taken, until all sin had been washed away for the redemption of mankind."*

This beautiful cantata compliments the choir with solos, duets, and trios; as well as meaningful narration. A perfect opportunity to bring unsaved loved ones to church.
