Teachers: Nicole Biedrycki

Debra Daversa & Becky Platt

****The Preschool is a Ministry of the Norwin Alliance Church.****

Mission Statement:

Our mission is to provide a loving, nurturing and trusting environment for children. We will work hard to foster each individual child's intellectual, social, physical and moral development in an academic-rich environment. By doing so, this will give the children a strong foundation to be built upon when moving onto Kindergarten and beyond.

We will never take for granted the trust placed in us to educate, love, and nurture each child.

Curriculum

Our curriculum stresses an integrated learning approach where themes are developed within units to enhance skills in the areas of language growth, socialization, math readiness, science, Bible, music, art, dramatic play, large and fine motor skills and listening. We provide a loving environment that supports acceptance, caring, helping and sharing and we encourage the children to be THEMSELVES!

We also work closely with the Norwin, Penn Trafford and Hempfield school districts to ensure our curriculum aligns with their Kindergarten readiness requirements.#

Daily Activities

- Circle time (opening prayer, jobs, calendar, weather, pledge, counting and weekly theme discussions).
- Snack time
- Story time
- Art and science
- Gross motor and music
- Free play/learning stations
- Bible story

Each day is always a new adventure in learning!
